

STATE ROUTE 18 BRIDGE AT COUNTY LINE IN LLANO

OPEN

PROJECT UPDATE

THE PROJECT

Caltrans has opened SR-18 at the County Line Overhead Bridge in Llano. The bridge replacement including joint seals and bridge railings is complete. Continuing minor construction clean up and equipment removal.

BACKGROUND

SR-18 Overhead Bridge at San Bernardino County Line is a major thoroughfare, serving commuters between Los Angeles and San Bernardino counties. Built in 1967 and widened in 1997, the average daily use grew to approximately 5,400 cars in an area where the population is right at 2,200. The road has experienced extensive wear and is being rehabilitated in both directions.

BENEFITS

This bridge replacement project will improve the ride quality, enhance safety and minimize the need for further lane closures.

SCHEDULE

Construction began: Late Summer 2015.

Estimated completion: mid-January 2017.

COST

Cost is estimated at \$5.3 million. MCM Construction of Bloomington, California is the contractor.

Local businesses will remain open throughout the duration of construction.
